Flood Homes is one of central Wisconsin's leading Manufactured and Modular Design Centers. We offer single section homes that range in size from just under 800 square feet to just under 1,200 square feet and multi section homes up to over 2,500 square feet. With a combined total of over 403 years of experience in the Manufactured Housing business, Flood Homes' staff is sure to assist you with all of your housing needs.

Flood Homes is located just off of Hwy 41, one mile North of Hwy 00, at N7559 N Pioneer Road, Fond du Lac, Wisconsin. We are proud to display our professionally decorated models and show you what a warm and inviting atmosphere our homes provide. We are continually updating our inventory and keeping a close eye on new products and options. We want to make sure that we are able to demonstrate a wide variety of different styles and features in each home, so that you are able to experience the feel of your dream home when you visit our design center.

Flood Homes in association with Ashwood Communities has communities located throughout the state. Recently, we have acquired 4 new locations that were formerly known as part of the Steenberg Home communities. Wisconsin locations are as follows:
Fond du Lac (2), North Fond du Lac (3), Iron Ridge, Kiel, Land O' Lakes (seasonal), Lomira, Oshkosh, Ripon, Sheboygan, Sheboygan Falls (2), and Waupun. We are also pleased to have a location in Fairmont, Minnesota.
